

SEBASTIAN LUDENA

SOUND DESIGNER | AUDIO ENGINEER | AUDIO EDITOR

📍 Quito, Ecuador 📞 +593 96 894 3882 ✉️ ludenasebastian@gmail.com

Professional Summary

Detail-oriented Sound Engineer with experience in sound design, dialogue editing, and mixing for film, video games, and digital media. Skilled in creating immersive, accessible soundscapes using Pro Tools, FMOD, and Unreal Engine. Proven track record of enhancing audio quality and meeting tight deadlines.

Professional Experience

Last Mile to Paradise — Dialogue Editor | Oct 2024 - Mar 2025

- Edited and restored dialogue with Pro Tools and iZotope RX.
- Reduced noise by 60%, delivering synchronized, premastered audio for key sequences.

Thesis Project: "Accessible Soundscapes" — Sound Designer | Jul 2022 - Aug 2022

- Developed immersive 3D audio experience for users with limited mobility.
- Implemented soundscapes using FMOD and Unreal Engine 5.

Zafiro Radio Online — Audio Engineering Intern | Jul 2021 - Jun 2022

- Mixed live shows and produced podcasts using Pro Tools and analog equipment.
- Enhanced audio clarity by 20%.

WBStudios Games — Sound Design Intern | Oct 2021 - Apr 2022

- Designed and implemented effects for indie video games in Unreal Engine.
- Organized audio assets, boosting workflow efficiency.

Education

Bachelor in Sound Engineering and Acoustics

Universidad de las Américas, Aug 2022

- Audio Engineering Society (AES) member
- Thesis on accessible soundscapes with Unreal and FMOD
